## The Defender

"The greatest crisis that America faces today is the chronic disease epidemic in America's children."
– Robert F. Kennedy, Jr.

## Seeking Justice

"Every time we turn our heads the other way when we see the law flouted, when we tolerate what we know to be wrong, when we close our eyes and ears to the corrupt because we are too busy or too frightened, when we fail to speak up and speak out, we strike a blow against freedom and decency and justice." – Robert Kennedy

## Protecting Our Future

"Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring those ripples build a current which can sweep down the mightiest walls of oppression and resistance." – Robert F. Kennedy
